INTRODUCTION

The Wesleyan Methodist Historic Roll is a set of 50 bound volumes housed at Methodist Central Hall, Westminster, London. It contains the names, sometimes with addresses, of over one million individuals who donated a guinea each to the Wesleyan Methodist Million Guinea Fund between the years 1899 and 1904.

The Wesleyan Methodists wanted to raise the money in order to celebrate the centenary of the death of John Wesley (1703-91), the founder of the Methodist movement, in a grand way. The fund was used to purchase land and to build Methodist Central Hall in London and also to further the Wesleyan cause both at home and abroad.

Donations to the fund were limited to one guinea per member but additional amounts could be given by making payments 'In Memoriam' for loved ones who had died or who had moved away from home. All donors were required to write their names and addresses on specially prepared forms which had been distributed to all Wesleyan Circuits and Chapels in Great Britain and overseas. These forms, collated and sequenced by District, then Circuit within District, form the Historic Roll.

This booklet contains a transcription of the pages within the Historic Roll relating to the Swindon Bath Road and the Swindon Wesley Circuits.

Further information about the Wesleyan Methodist Historic Roll is contained in the booklet entitled 'Basic Facts About The Wesleyan Methodist Historic Roll' by Richard Ratcliffe, first published in 2005.

NOTE: The pages within the Historic Roll for the Swindon Bath Road Circuit are arranged such that the entries for the Bath Road chapel are interspersed amongst those for other chapels in the circuit i.e. the Bath Road chapel entries are not on successive pages.
